

DRILLS

ADULT

TECHNIQUES and TACTICS

Throughout this program we will cover a variety of technical and tactical skills that will have you thinking and playing like the pros! We'll emphasize:

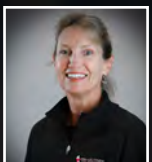

- Footwork patterns
- Racquet mechanics
- Ball height awareness
- Shot selection for singles and doubles
- Understanding ball characteristics and the effects of speed, spin, height and depth
- Zone awareness phases of play and more!

Please note: You must register at your official NTRP level. Register today, space is limited!

Mondays | 7 week session
