Parking/Picking up and dropping off

Parents, remember that the drop off/pick up area is not for parking. Please pull into a parking space close by and when you see your swimmer exit the building, pull into the circle pick up area.

These policies are for all swimmers using the GATC pools. If any Tiger Shark is observed breaking the policy for the locker rooms, locker room privileges will be lost for 2 weeks. If you are caught breaking the storage room policy, you will not be able to place your gear bag in the storage room. These policies have been put in place for the benefit of everyone – please choose to abide by them.
